EARTH floor protector

EARTH floor protector is a PVC-free high quality textile chair pad with a thin edge band. A floor protector protects floors from wear and tear and dirt. Earth floor protectors are suitable for both public and domestic environments.

Our textile floor protectors are easy to care for as they are dense, durable and easy to vacuum. The 100% polyamide yarn makes it durable and suitable for office chair wheels. The cover is lightly striped and available in several colors.

Material: Pile 100% Polyamide, backside Actionback, edge band 100% polyester.
